Guest and Dependent Lift Privilege Guidelines

Your signature on the reverse side of this form reflects your agreement to all of the listed rules and policies, including the Season Pass Agreement Form. All Mt. Rose Employees are responsible for knowing and following these listed rules and policies.

Any misuse of this employee privilege including, but not limited to, sale of tickets or pass(es), may result in disciplinary action up to and including termination of employment.

Season pass privileges for the employee/ volunteer and approved guests and or dependents will cease at the time of the employee or volunteer's termination of employment.

NON TRANSFERABLE: Season Passes are not transferable, not to family members or friends—no exceptions. Use of a pass by any person other than the named owner / pass holder shall void the pass and result in the immediate loss of all lift and skiing/snowboarding privileges without compensation, **and the Sheriff will be called to prosecute the person using your pass for fraud.**

KNOW THE CODE: Familiarize yourself and your family with The Responsibility Code and abide by its contents.

DO NOT DUCK THE ROPE: Ski Patrol puts up boundary lines and designates closed areas for your safety. Skiing in a closed area will result in the loss of your pass for up to 3 years.

WEAR YOUR PASS: Your Season Pass gives you area access to both the slopes and lifts at Mt. Rose. Carry your Season Pass at all times at Mt. Rose and have it visible for quick inspection each lift ride, or when asked.

LOST PASS: Lost Employee and EP guest or dependent passes need to be reported to the Human Resources Office immediately.

FORGOT PASS: If you forget your pass, please see the Guest Services Offices at either lodge for a temporary day ticket.

THEFT: Theft of any kind, whether from the resort or another guest, will result in the banishment from the area for life.

Free skiing/ snowboarding is not covered by Workers' Compensation in the event of an injury.
