Dental

Powered by Aetna Dental Access®

**Enjoy a Bright
Smile at a
Lower Cost**

Save 15 to 50% on dental care, in most instances

What Dental Does for You

- Save on dental services such as cleanings, X-rays, crowns, root canals and fillings at over 300,000* available dental practice locations nationwide
- Need specialty dental care? Save on orthodontics and periodontics, too!
- Use the discounts as often as needed
- Use the Dental Price Transparency tool in the mobile app to know exactly what procedures cost before going to the dentist

How your Dental Discounts Compare to Insurance

Insurance isn't the only option when you need dental care. Your dental discounts provide valuable savings for you and your family, with no limit on the number of times you can use them.

	Typical Insurance Coverage	Aetna Dental Access®
I reached my annual maximum, but I need to get a filling.	After hitting your maximum with co-pays and deductibles, additional services or procedures will not be covered for the rest of the plan year	Save 15% to 50% per visit** off cleanings, x-rays, fillings, root canals, and crowns as often as needed
My son needs braces, but I'm not sure how we can afford that right now.	Dependents may be covered for an additional cost, but orthodontists are not always covered	Save 15% to 50% per visit** off orthodontic services, with dependents covered at no additional cost
Ouch! I broke my tooth and need surgery.	Surgeries are not covered until after year one of the plan	Save 15% to 50% per visit** off surgical procedures with no waiting period

Dental Plan

Mt. Rose Development also offers dental insurance to employees and their eligible dependents. Dental coverage for the **2025 - 2026** plan year will be provided by **Principal**.

- With your dental plan, you can visit any dentist, but you pay less out-of-pocket when you obtain care from a dentist who is in the **DDS** Network.
- You must meet your annual deductible before the plan begins paying benefits for basic or major care.
- All dental benefits are based on the negotiated rates if you utilize an in-network dentist. If you go to an out-of-network provider, you will be responsible for the difference between the negotiated fee and the amount the dentist charges.
